

MINUTES OF THE PRE-BID MEETING

Tender : DESIGN, MANUFACTURE, SUPPLY, INSTALLATION, TESTING AND COMMISSIONING OF INTERNAL FLOATING ROOFS FOR TANK NO. 09 AND 10 AT MUTHURAJAWELA TERMINAL - KPR/23/2024

Time : 1000 hrs. on Monday 01st April, 2024

Venue /Method : MS TEAMS Online Meeting Platform

Participants :

- TEC / CPSTL : Mr. Prasanna Warnasooriya, Deputy Engineering Manager (Mechanical & Maintenance)
- Procurement Function / CPSTL : Mr. Milantha Ranawaka, Senior Procurement Executive

1. Following interested parties have attended the pre-bid meeting via MS TEAMS online meeting platform.
2. Concerns were given to 'Conditions of contract' clause no. 2.3 'Inspection and Testing' and Specifications clause no. 3.3.5 regarding Third party Inspection of Material Test certificates. As per the above two clauses, Third party inspection on obtaining Material Test certificates shall be conducted according to the standard requirements of EN 10204 type 3.2.
3. It was noted that there will be more complications on obtaining Material Test certificates in accordance with EN 10204 type 3.2 since IFR consists of several number of different parts and individually testing each type would be costly and difficult.
4. Hence it is necessary to amend 'Conditions of contract' clause no. 2.3 'Inspection and Testing' and Specifications clause no. 3.3.5 regarding Third party Inspection of Material Test certificates as "**Material Test certificates shall be in accordance with EN 10204 type 3.1**". Same was communicated to proximity bidders participated to the pre-bid meeting.
5. Interested parties were informed to forward further clarifications, if needed, through the email. CPSTL response for such queries will be sent by email to prospective bidders, who have collected bidding documents, including description of the inquiry but without identifying its source, within seven (07) days prior to the closing of the bid.
6. The meeting has concluded at 10.45 am.
