

SUBJECT : Procurement Of Optimizing & Upgrade Of Sap Erp System - Rise Cloud Integration With Sap S/4hana Greenfield Implementation And Extensive Business Process Re-Engineering
TITLE : PRE-BID MEETING
DATE : 25-02-2025 AT 10.00 AM VIA VIDEO CONFERECING

The Acting Manager of Procurement welcomed the bidders and provided an overview of the contract duration as specified in the bidding document. The Acting CIO then outlined the current infrastructure and operations, emphasizing the significance of the project and CPSTL's commitment to advancing in line with industry standards on this greenfield implementation.

Following points were discussed.

- Bidders were request to send the clarification by e-mail and CPSTL will provide the information by 5th March 2025.
- Bidders requested the BSR and readiness check reports. CPSTL informed them that the latest available reports, generated in May 2023, will be shared. Additionally, an ongoing assignment is in progress to regenerate these reports, and CPSTL will provide the updated versions upon successful completion.
- In response to a question regarding offshore data hosting, Niroshan Ananda (SLCERT) stated that companies can host data on the cloud, provided they adhere to the Data Protection Act and comply with the Government Information and Cyber Security Policy.
- In response to a question about managing personnel under a hybrid model, CPSTL emphasized that the activities must be performed onsite.
