

**MINUTES OF THE PRE-BID MEETING HELD ON 13.06.2025 AT THE OFFICE OF THE
ENGINEERING MANAGER, OIL INSTALLATION, KOLONNAWA, AT 10. 00 A.M**

**“REPAIRS TO TANK NO. 34 AT KOLONNAWA INSTALLATION”
KPR/33/2025**

The participants were asked to attend a site visit before the meeting. The scope of work in the Bidding Document was briefed at the site, and asked to refer to all specifications, drawings, and Bill of Quantities to prepare estimations.

At the beginning of the meeting, TEC Chairman – Mr. H.M.U. Bandara introduced the participants to each other and further described the project requirements, adhering to CPSTL. It was instructed to refer ITB to check the eligibility requirements of the Bidders. The TEC Chairman further highlighted the importance of the timely completion of the project, maintaining specified qualitative measures during the work, and the requirement of assigning key technical staff as per the COC.

Queries raised at the pre-bid meeting and answers of the CPSTL are tabulated as follows.
