

CEYLON PETROLEUM STORAGE TERMINALS LIMITED
MINUTES OF THE PRE-BID MEETING
Held on 30.03.2026 via MS Teams at 10.00 a.m.

Procurement: Supply of 02 Nos. 15” Circumference Mooring Hawsers with Thimbles

Bid Reference No.: KPR/11/2026

Queries / Clarifications Raised and CPSTL Responses

The queries raised at the pre-bid meeting and the responses provided by CPSTL are tabulated below:

Table 1: Queries / Clarifications and Responses

No.	Queries/Clarifications	CPSTL Response
01.	1. Would we have chance to change original supplier that you supplied before 2. What is renewal interval of this product 3. Country of manufacture and origin should be same countries as you mentioned	1. Since this is a separate tender from the previous purchases, there is no issue in changing the supplier for this new tender. 2. The general expected service life for each mooring hawser is 12 to 15 months , covering the period from installation to removal. 3. As per the tender conditions, the country of origin and country of manufacture shall be from European, USA, UK, Japan, or Brazil . These two may differ; however, both must fall within the above country restrictions.

Additional Clarification by CPSTL

The CPSTL representatives emphasized the strict compliance with the delivery schedule.

Conclusion

The meeting concluded after addressing the above queries. No further clarifications were raised.
